Kennedy Steel Kits

For electrical workers, mechanics, railroad men, construction men, repair men, installation men and contractors. Made of prepared steel but are no heavier than other bags and tool kits. Built to stand the wear and tear of hard usage. Re-enforced throughout, fitted with brass side catches, strong two-tumbler Yale locks, steel leather covered handles and

riveted so that they cannot pull out. Protected by solid brass corner irons. Finished in three coated baked enamel of brown or black, they present an appearance neat and attractive and look like leather traveling bags. Material, special construction and overlapping features make these kits wearproof, waterproof, and weatherproof. They are thief-proof because they can be locked and chained and cannot be cut open. Price, without tray, deduct $0.35.
